I would like to take this opportunity to say that this has been nothing short of fantastic. We began this journey with a truly dynamic, motivated, dedicated group and accomplished what some thought was impossible. Thanks to each individual for your time, your passion, and your commitment to excellence. I love you all and hope you all succeed. From the bottom of my heart, keep your heads up and dreams high.

Congratulations to the Bloomfield Tech Spartans for the most memorable four years. Without you, our school couldn't have accomplished as much as we did in these four years. Bloomfield Tech commend you on your remarkable achievements: 1st E.C.T. Championship, and Group I State Champions 3 out of 4 years. You have made a big statement for Bloomfield Tech by helping us remain the number one team in the state and the 15th in the entire country. It was truly a privilege to watch Bloomfield Tech Spartans make it. Thank you and Congratulations on a great season. Best of luck to you all.

Spartan Softball

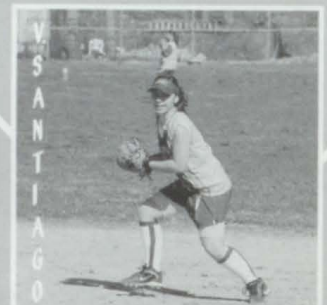

Ms. Albano

The leadership, enthusiasm, and dedication of seniors Shawnna James, Melissa Ramos and Vanessa Santiago have helped to guide the underclassmen to a higher caliber of play. The softball team continues to make great strides and with the current underclassmen the future is very promising.

Spartans Baseball

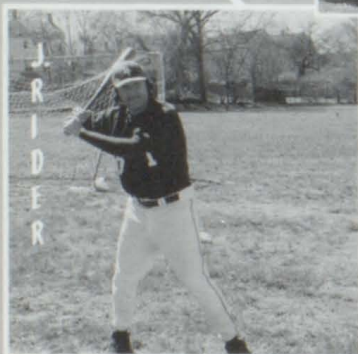

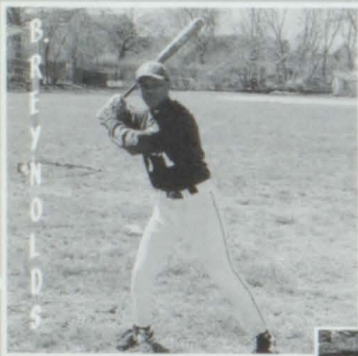

Coach Mr. Romano

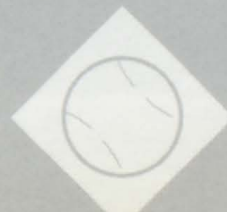

Coming off an exceptional 19-6 season last year, the Bloomfield Tech Baseball team was expecting an even better season this year. Led by Senior Captains Burt Reynolds, Hector Santiago and Jason Rider the Spartans got off to a great start with a 10-1 record and at press time were still in the Essex County Tournament (4th seed), the State Vo-Tech Tournament (Quarter Finals) and the Group 1 State Tournament (2nd seed). With only 5 seniors on this team the Spartans are looking forward to a great future. Senior 2nd baseman David Santos and fellow senior designated hitter Edwin Gracial are helping lead this years team to be Bloomfield Tech's greatest ever. Some highlights of our season up till now include the torrid hitting of Burt Reynolds who after 11 games has already hit 9 home runs and is batting an amazing .675. Hector Santiago, while pitching the baseball at an impressive 90 MPH pace, has been mowing down batters with ease, striking out 48 batters in just 22 innings and is sporting a 3-0 record. Junior Anthony Santiago and Carlos Rivas are both undefeated as pitchers and have healthy batting averages. In all Coach Dan Romano, in his 8th season here at BT, feels this team has what it takes to win it all this year and certainly should reach that elusive 20 win season.

These Are My Wishes For You
By: Sandra Sturtz Hauss

May you find serenity and tranquility in a world you may not always understand. May the pain you have known and the conflict you have experienced give you the strength to walk through life facing each new situation with courage and optimism. Always know that there are those whose love and understanding will always be there, even when you feel most alone. May a kind word, a reassuring touch, and a warm smile be yours every day of your life, and may you give these gifts as well as receive them. May the teachings of those you admire become part of you, so that you may call upon them. Remember, those whose lives you have touched and who have touched yours are always a part of you, even if the encounters were less than you would have wished. It is the content of the encounter that is more important than its form. May you not become too concerned with material matters, but instead place immeasurable value on the goodness in your heart. Find time in each day to see beauty and love in the world around you. Realize that what you feel you lack in one regard you may be more than compensated for in another. What you feel you lack in the present may become one of your strengths in the future. May you see your future as one filled with promise and possibility. Learn to view everything as a worthwhile experience. May you find enough inner strength to determine your own worth by yourself, and not be dependent on another's judgement of your accomplishments. May you always feel loved.

Congratulations and Good Luck,
Ms. Landis

A friendship that never ends, that lives on forever. Living through dreams & carrying on together. A friend w/ memories of heartfelt laughter & many secrets shared between only one another.
